

Advent Prayer Responses

Year C 2015

These responses are intended for congregational use and may be taught by rote, included in a printed bulletin or projected on a screen. The 'humming tones' are more suitable for a choir or small group from within the assembly. If the tones are used, they should be prayerful and subtle.

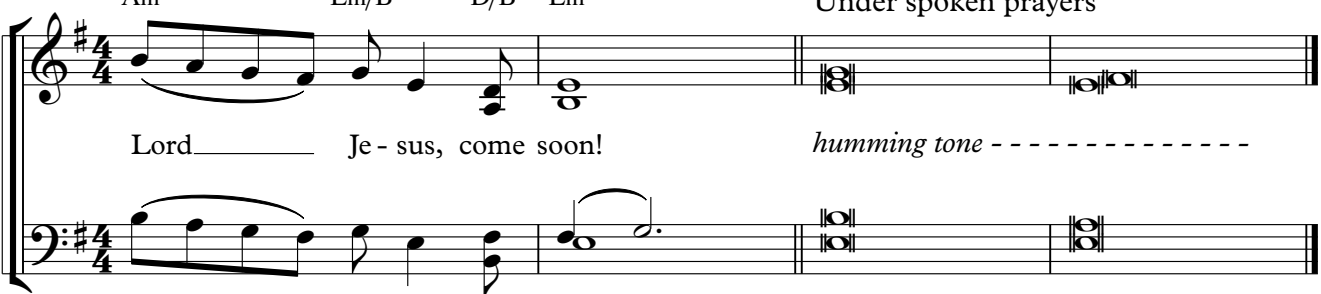

Jason D. Locke

♩ = 68

I. Under spoken prayers

Am Em/B D/B Em

Lord Je - sus, come soon! *humming tone* - - - - -

♩ = 80
